

We are doing our best to ensure safe and quality transportation.  
For this to be possible, you make your part and stick to the following simple rules:

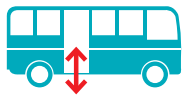

Do not use the service in case of flu symptoms and / or body temperature equal to or greater than 37.5 °C.

On board: mandatory face masks and recommended disposable gloves.

Keep the distance of at least 2 meter from other users, both waiting at the stop and during the ascent/descent operations.

Use the central door for the ascent and the descent from the bus. Let those on board get off before boarding.

Do not use the seats and spaces as indicated by the signs.

Due to the health emergency, the bus has a limited number of seats.

Torino Outlet Village shuttle is free. Passengers are advised not to approach the station of the driver.

All drivers have a personal supply of masks, with weekly change. All drivers have nitrile gloves and a bottle of concentrated hand sanitizing solution alcohol greater than 60%.

An ordinary daily cleaning is carried out on all the vehicles in service, in addition to the sanitization of the handrails, supports and points of greatest contact of the surfaces touched by the passengers.
